JOINERY

# THIS WHAT WE DO.

Transforming empty spaces or used spaces into fully functional environments with a healthy and aesthetically pleasing atmosphere. We apply these services for office and hotel spaces, and the result typically includes various stages:

- Planning and Design.
- Architecture finishes.
- MEP Works (HVAC, Electrical, and Plumbing).
- Supply and install a variety collection of elegant modern office furniture.
- Custom made Furniture, Fixtures, and Equipment (FF&E).

Our services are essential for creating spaces that are not only functional but also reflect the style, brand, or personal preferences of the client.

SERVICES

# INTERIOR DESIGN

*Design Build*

CRC interior design philosophy is based on the pursuit of excellence and quality of all our services, always offering an exclusive and personalized design for each project. It is a service that we understand as an alliance with group of people who will enjoy their spaces and that we perform, from coherence, honesty, efficiency and creativity both at the level of design and time management, and the budget.

# INTERIOR DESIGN

## our focus

Small details, big difference. We design every detail, on every scale, for every client. We are a niche specialist in leisure living that serves corporate business far and near, hospitality entrepreneurs, and real-estate developers.

## our approach

Big enough to cope, small enough to care. We stay lean and swift to give you the utmost interior design service. As our client, you get to decide what desires, wishes, and visions we work on. Design-wise, the process is creative, always professional, and goal-oriented. It's a combined effort, holistic as such. When plans feel fit for purpose, we'll take it from there. Follow-up meetings will keep your finger on the pulse and our eyes on the budget. We ensure timesheets and estimates are on-point and in-touch with your reality.

# HOTEL DESIGN

From the earliest feasibility study to the creative direction and the detailed tender and construction packs, we support you at every stage of your project and offer a fully customizable suite of professional interior design services.

Combining creative, multi-disciplinary work style with extensive hotel, interior design experience, we work with you to deliver stunning interiors that meet your aspirations, timescales and budgets for the project.

we are on a mission to deliver distinctive interior design solutions for clients, that in turn deliver exceptional outcomes for their guests & teams.

# OFFICE DESIGN

Motivated by passion, inspiration and enthusiasm, We listen carefully to the client's ideas and vision then we create workspaces with their own identity that combines aesthetics, quality and functionality, in each design. The constant search for the latest trends and designs help us create unique experiences in each of the projects we carry out, so we Carry out a conceptual study of the characteristics and design of each space, inspiring them in decorative elements, colors, lighting, and exclusive furniture, ensuring a comfortable and creative working environment.

Our interior designers will advise and guide you throughout the project, from the initial conceptual idea to the last final decorative detail.
